

We are a cashless venue.

We accept credit cards, Apple Pay and Google Pay. If you bring cash, please utilize our Cash to Card kiosk located at the Gondola entrance or in the Gift Shop on top of the mountain. This kiosk will convert your cash to a debit Mastercard for use throughout the property. There are no fees and the debit card can be used anywhere Mastercard is accepted. Sorry, we do not accept personal checks.

Cash to Card Process:

- To obtain a Cash to Card Mastercard debit card, the purchaser must use a home or cell phone number to make the purchase at the kiosk
 - o If a cell phone is used, a text message will be sent with a link to register the card and a second link to quickly view the balance
 - o A QR code on the back of the card can also be scanned to view the balance
 - o Or the balance can be checked on the Mobile Money kiosk
- The phone number used for purchase is also used for verifying the cardholder if assistance is needed from the card issuing company (Akimbo)
- Registration of the Mastercard debit card is recommended, however not required to use the card
- If the card is not registered and lost or stolen, it is like cash and will not be replaced by the card issuer
- If a card is registered, the card can be reissued or reloaded and linked to other accounts to transfer funds as desired
- Any issues using the Cash to Card Mastercard, completing a transaction, or getting the balance on the card; call Akimbo Support 855-449-2273 or go to www.akimbocard.com
